2024 SDML Workers' Compensation Fund ICS® Saw Grant Application

In partnership with Stan Houston Equipment

*The **SDML WC FUND GRANTS** will be awarded on a first come first received basis.

Program Information:

Background: The SDML Workers' Compensation Fund (SDML WCF) has funds available to grant to public entities that have their workers' compensation coverage through the SDML WCF, for the purchase of one **ICS® Saw Package** listed below. A member may apply once per calendar year and the grant only applies to one new piece of equipment. Used or refurbished equipment is not eligible for the grant.

The grant will pay 50% of the cost of the equipment with a maximum grant award of \$4,000. The recipient will be required to pay the invoice in full, then provide a copy of the entity's cleared check and a copy of the paid invoice to the SDML WCF Administrator. Then the SDML WCF will issue the grant check payable to the grant recipient.

- 695PG-16 Gas Saw Package
- 890PG-15 Hydraulic Saw Package
- 890PG-20 Hydraulic Saw Package

In an effort to aid our members who wish to acquire more than the allotted equipment in this grant (i.e. additional ICS® Saws and/or additional accessories not included in the

package) the SDML WCF has negotiated a discount available only for SDML WCF members. The SDML WCF will not provide additional funds for these items. Please reference your affiliation with the SDML WCF to Stan Houston Equipment to obtain this negotiated pricing and refer to the Price Sheet on the last page of this application.

Purpose: To provide members with beneficial equipment in an effort to reduce risk and injury to employees during an activity that requires the use of a chop saw. Particularly when cutting a pipe.
